

**Dear AK Asyl Visitors,  
Welcome to the AK Asyl,**

Due to the special situation due to the corona virus, we ask you to follow the following procedure:

**1. Until further notice, there are no open office hours in the office, but the consultant answer your questions on the phone or by email!**

**2. What should I do if I have questions and urgent requests:**

Call:

You can reach the consultants on the phone or by email.

If you would like the consultants to call you, please leave a paper with your phone number and name in the letterbox in the hallway. On the letterbox is a small box with papers and a pen.

Hand documents:

If you would like to hand in documents, you can throw them in a copy in the letterbox in front of the door. Please also write a phone number. We will copy originals and send them back to you by post.

We ask for your understanding of these regulations.

We wish you a lot of health!
